Gorgeous home and property located in beautiful Clinton, LA. Over 5 acres, with a pond!! This custom built home is sure to please. Cypress cabinets in kitchen and dining room. Granite counter tops and beautiful brick flooring in kitchen. Wood flooring in hall, living room and dining room, with carpet in bedrooms and tile in wet areas. Ceiling in living room goes to the second story loft area, which overlooks the home. There is a wonderful deck, located off the loft area, that overlooks the back acreage and pond. There is a small fenced area that is perfect for a small play area or pets. There is also an additional storage building that remains. If a newer home, with a country feel, is what you have been searching for, this is it! This home did not flood and is located in flood zone X.
